“ *There will never be enough words to say how wonderful Kay was to everyone. I was blessed to meet her when KC and my daughter started Kindergarten. Through the years she became a wonderful friend to me and my family. Kay was always the first one there to help anyone out. She was our Cookie Mom for all the years we had a Girl Scout troop. I think was 7 or 8 years and bless her what a headache it always was but she always smiled through it. I was blessed to have remained her friend for 30+ years and will miss her so much. I will never forget the last talk we had when she was telling what was going on and what was about to go on. Even through that she smiled <3 Miss you Kay, my friend<3*
