“ *I worked with Kaye at the Lab. I retired in 2008, but we stayed in contact. All of the years that I knew Kaye I never heard her say an unkind word about anyone. She definitely will be missed. One good thing to think about is that she is at peace with our Lord.*

“ *Nick,*

My thoughts and prayers go out to you and your little ones. I have worked with Kaye for many years. We were talking in January about how you wanted to go to college in Cookeville. She was so excited. She would light up talking about the little ones. She loved you very much. I know your heart is breaking. My your memories comfort you in the coming days and months. She was a wonderful lady that was loved by so many and will greatly missed.
