“ *My deepest condolences. I truly enjoyed my time with Eric, golfing and hearing about his past trips and upcoming trips. He was a great travel scout! My wife and I traveled to Aruba based on his experience and will skip Belize :). He was a dear colleague and friend. He has many customers who feel the same.*

“ *My deepest condolences go out to the entire Metcalfe family. I am truly sorry for your loss.*

I had the pleasure of working with Eric for 9 ½ years at Mold-Masters. Eric was very kindhearted and knowledgeable in his profession. He was passionate to do an exceptional job and his performance was outstanding. Eric’s customers respected him as he had always treated others with utmost respect. He will be missed by myself, thousands of coworkers, and his customers.

On the personal side, Eric was a gentleman from all aspects of life. We talk often about his family and Kristin. Eric had many stories to tell. He was respectful and very appreciative of wonderful relationship he had with his Mom and Dad, sister and Kristin. He will be missed by many who had the pleasure to know him.

“ Keith was an individual who left a lasting impression on you with very few words or interactions. My husband and I had the pleasure of meeting him through his better half, Debi. They lit up a room together! I'm grateful we were able to experience his kindness. He motivated my husband to live a more healthy, travel filled life. It's was amazing to watch he and Debi conquered the world.

To his parents, you all raised an amazing human being. To Debi, you and Keith were amazing as individuals and so impactful as couple.

I pray the joy and light he carried throughout the world continues to shine on through you all.

*Respectfully,
The Moronkeji Family*

I am so sorry to hear this sad news and my deepest condolences to the family. It was the saddest moment when I heard this news, he was such a great person to work with. He took great care of our team from Korea and I, when we traveled together in last July. He supported Korea and Japan customers and was very respected by our team in Asia. He will be missed by all of us. Rest in piece!
