“ *I have always appreciated the counsel and guidance that Kendall provided to me professionally and personally as a pharmacist and friend. I will forever be thankful for the words and time we shared at the TPA meeting. My prayers and thoughts go to Carole and daughters in the months ahead. I will be unable to come to the visitation, but wanted you all to know that it was an unfortunate work issue rather than a lack of willingness to show my respect. Thank you for sharing him with us for all of the long pharmacy meetings and hot air sessions on the past 40 years. I am so sorry for your loss. Paula*
