“ My name is Minnie Reeves Brown. I have known Kenneth for many years. He was always so sweet and kind. I remember when he would bring those foam things for hangers to my moms house. He was a true friend of my brother Walter Reeves, he thought the world of Kenneth. I know you all are going through a very hard time now but you will be ok, he is in Heaven now and i really believe that. I know he and Walter have a lot to catch up on. I have given up my mom and dad and four brothers and it never gets easy!!! Try to focus on all the good times and funny things that have happen!!!! I know there are LOTS of them.
