“ To my brother Kenneth,there are no words that would express what it means to have you as my brother.I firmly believe your walking the streets of heaven with others in our family.I can just hear grandpa saying to gandma, Ethel look who just got here Kemmeth !Maybe Dennis is saying I've got one of my brothers with me now.Heaven just got a little more nicer place to be.

Like all brothers we played together,worked together and faught together.At the end of the day we loved each other.We are going to miss you.

At the services today you could feel the love that Bonnie, her sisters and friends had for Kenneth."they really loved him."

I love you Kenneth. Daniel

“ Ken was the most sincere and funny man. He always made me laugh with his short finger up his nose! Hilarious! He was always thinking proactively about how to make things better.. safe ways, smarting ways, eaiser ways and cheaper ways... he thought about ever aspect of his work. He was generous and kind to all around him. He could eat more than any human being I know... and he always giggled out loud when I teased him about having hollow legs. I admired his volunteerism and worked many charity projects with Ken. I will miss Ken terribly.

Sincere sympathies,
Gigi

I'm Ken Allen Jr, I'm trying to find out information. About my dad. I'm looking for a woman who worked close to my dad at Zachary by the name of Jennifer. Lasts name maybe Hollingsworth. She went to my dad's funeral but I kicked her for reasons. But she has Vidal information I need. I've been scammed out of my inheritance and she has extreme information I need. Or any body from DuPont who worked with my dad please call me. 615-989-1629
