“ Sorry for the loss of your dear loved one I know it's not easy when you lose a loved one in death. A matter of fact I lost my cousin in death and it's been about 10 years since he died and it still hurts .But we can always keep in mind the hope Jehovah has for us recorded in Revelations 21:3,4 which states that "death will be no more" in his coming Kingdom which w'll be ruling here on earth in the future. Please check out this website jw.org and you will find an answer to this pertinent question "Why is there so much suffering"?
