“ I am so shocked by this and am not believing this either. I worked with Ken in the Dept of Revenue and he was a fantastic worker and friend and he kept me laughing. May the love of the Lord Jesus Christ comfort all of his family and give them peace in the days to come. So very sorry for your loss. With deepest sympathy.

I am sad, this was a shock. Ken was a good friend, we used to sit and talk and laugh together, he will be missed. His sister and his cousins are in my prayers, and also all of his co-workers
