“ Please accept my sincere condolences for the loss of your love one, this is the most difficult thing we must face in this life, may it comfort you to know that others are deeply touched by your loss, the bible assures us of a wonderful promise at Rev.21:3,4 says one day soon all sickness and death will be gone forever and we will see our love ones again, what a wonderful promise and we anxiously await the day when we no longer lose those we love, to learn more about this promise please view jw.org.
