“ I cannot began to imagine what life will be looking back at memories of you.. instead of sitting beside you, hearing your deep voice and laughing at your crazy jokes.. you were an amazing dad and i still have so many things i wish to share with you.. you will continue being loved and i will visit you often.. i love you dad.

“ As my Father I have so many memories with him. He taught me to Fish and ride a bike, the fight and to build a fire, how to grill and how to play Baseball and Pool, helped me learn to swim and to love history and the train tracks. I spent my entire life looking up to this mountain of a man and I'll never be able to fill those size 14 shoes that have completed our family my entire life. I love you Dad and our family will never be the same without you. Until we meet again

Kenny was a very sweet gentle person. I didn't know him very well. But, every time I saw him he had a smile on his face and always so upbeat..I know he was in pain a lot but he never let it show. I always felt better myself after spending a little time with him.. Say hi to my family Kenny I know you guys will have some laughs

My dad was such a relief in my family never judgmental, always laughing and making us laugh even on a bad day.. he was so tall and big but he had a sweet heart and he was very emotional. I will forever miss those hugs and kisses. He always made me feel special no matter how long I was away he acted like it hadn't been a second. Miss you so much dad I love you..
