“ *Our deepest condolences to this family on the loss of a good man. Our two sons, both of whom attended USN, have fond memories of Coach Baynham as both a basketball and baseball coach. With his ever-present smile and kind manner he was able to achieve improved performance from his athletes without resorting to berating or humiliation. They were fortunate to have had him as their coach. The gathering today was a testament to Coach Baynham's sense of humor and his love for others.*

“ I am very saddened to hear about the loss of Coach Baynham. My condolences to his family. Coach taught me my first real lesson in humility in the weight-room when I was in 7th grade. The following year he was gracious enough to push me and have me play with the Highschool Baseball team while I was still in 8th grade. I will never forget his demeanor, his love of athletics and the lessons he instilled in me. Great coach and an even better man.
