

## Kimberly Littles

November 21, 1964 - November 1, 2024

Kimberly Littles, “Momma Kim”, 59, of Madison, TN, passed away November 1, 2024. Kim was one of the most loving and giving people grace to this world. She loved her Alabama Crimson Tide! If it was football season, you wouldn’t be shocked hearing her coaching from the couch if they didn’t play well, lol. Kim was a mom to many and a great friend to all. Kim was not afraid to tell you the truth and how it is, no matter if it hurt your feelings or not. Honesty was a huge part of who she was. Kim was the greatest grandma (frimi) to her grandson. She loved her grandson (Landon Littles) more than life itself. Kim enjoyed her times with her son (Kody) and grandson (Landon) out on the lake relaxing on the boat watching family and friends have a blast! Kim loved and played Softball for years. She also loved Football. Kim loved being at home with her partner in crime, Pooter, feeding her cheeseburgers, lol. Her dogs were her life, and she loved all animals. She also was a talented dancer and singer, which passed on to her daughter. Kim always helped others, which is why she went into nursing. There was no limit for her, and she always had the mentality to always make it work, no matter the situation, she was a fighter.

She is preceded in death by her parents, Lou Robertson and Terrye Robertson and brother, Tony Robertson. She is survived by her son, Kody Tyler Littles; daughter, Haley Sumner Littles; grandson, Landon Jay Littles; brother, Jason Robertson; dogs, Pooter, Bear and Sheeba; friends and family.
