“ *Dear Ron and Lee, So very sorry to hear that Kris had passed away. And to hear just now, 3 months to the day of her death, is even more stunning as I believe most of her friends from Pileggi feel today. You are so right when you say "people just liked Kris." She was a lovely person in all ways and was loved by many. She will be missed.*

“ *Ron and Lee, we were so sorry to hear of Kris' passing. She was a warm and caring person to all but her love for the two of you was always so evident. We always admired her inner strength, courage and dignity in the face of such adversity. We are so sorry we could not be there to celebrate her life but AJ is still finishing finals in Virginia and will not be back until late tonight. Please know that our thoughts and prayers are with both of you and there is an open invitation to the Witherell house if you are ever in our neck of the woods again (although you may not recognize your surroundings).*
