“ *My dad was the most amazing man. He worked so hard all his life to make our family financially secure. I miss him so much. If I could talk to him one more time, I would tell him how much I love and miss him. I have a hollow spot in my heart. Love you dad.* ”

“ *My dad was the most amazing man. He always did everything for our family. He and mom worked so hard their entire life so that they could some day travel. Dad's days of travel are over. He has reached the destination we all long to reach. I will see you again dad.* ”
