The Tune Family - June 09, 2021 at 04:42 PM

I was away s at the time being on the road as a traveling entertainment performer. I learned of Larry's departure from his daughter Emily Renae Bullion. Larry and I had worked together on numerous occasions while I was residing in Nashville along with his former wife and close friend, Rebecca Bullion. Those were great times during the 70s and 80s. Larry was more than a friend. He was a mentor and big brother. I will miss him, the extraordinary talent and he also worked for Hewgleys Music Store and Madison Music Store and while consulting on musical gear, I was always kept updated on all the newer equipment of that era. While these days, His daughter Emily Renae and I became close friends and family to one another. GOD, rest his remains and Soul until we meet again. And to the Family, My Deepest Condolences.
