“ *Larry,
How do I live without you?
Three days ago you had a beautiful Memorial and I have been trying to stay strong for Ericka, but it is so hard to even imagine life without you beside me. I know it will take time for this pain to go away, but I want to remember everything we shared and I speak your name often...I feel closer to you that way. I have been blessed to be your wife for the last 28 years and you will forever be in my heart. I watched the sunset again tonight and I know you were there with me. I will always cherish their beauty. Until we meet again, I will carry your love in my heart. Ericka, the dogs, and I miss you so much! Your loving wife.*

“ *I was about 6 and you were about 18 when you left for the Navy & boot camp. I cried so long & hard I literally made myself sick, missed 3 days of school. I knew I'd see you again but somehow I also knew that life was never going to be quite the same. I'm feeling much the same today as I did on that day so long ago when I had to say good-bye, knowing I'll see you again but also knowing that life isn't going to be quite the same. I will cherish my memories & will smile every time I recall the sound of your laughter. My life & the person I am are better because you were in it. I will miss you much.*

“ Though I haven't seen Larry since 1990, I think of him often and the positive impact he had on so many people who had the pleasure of knowing him. He trained me when I was a rookie, and I had the pleasure of being his partner in Car 23A for four years. Truly a fine Man and Excellent Police Officer. My prayers are with his family.
