“ *God is the creator of life. (Acts 17:24-25). The One who gave life to all living creatures is certainly capable of restoring life to someone who has died. God is eager to do because he view death as an enemy. (1 Cor.15:26) He has a longing to conquer that enemy to undo death by means of the resurrection. He yearns to bring back those who are in his memory and to see them live on earth again. (Job 14:14,15)*
