“ I wish we could be with you to celebrate Larry's life. We have such sweet memories of Larry and Ann Link being our youth leaders when we were teenagers at Riverside Baptist Church. We cherish our friendship of over 55 years. Bob is recovering and I am still sick with covid virus, so sorry we can't be with you. Love and prayers, Mary and Bob Willis 🙏❤️

As a young girl I remember how my parents adored him. Daddy was a mentor to him and he was always so kind to me and so is Ann. I won't be there Saturday but know that you & the family are in my prayers. I have a bad hip & can't walk very well right now.

Oh, Ann, I think of all the many memories over the years from church. You both were such a terrific couple and such servants for the LORD. Larry was a great leader even tho he was soft spoken. He truly exuded what it was to be a follower of Christ. I know you feel like half of you is in heaven with him. It won't be long before we get to go be with our husbands where all will be perfect and we will be holding their hands and singing HALLELUJAHS to our precious Saviour. We weren't built, thankfully, to live forever in this world which is getting more evil by the day, but I will lift you up, knowing that the Lord shines his light thru you wherever you go. May you have many people to tell you stories about Larry that you never knew before. He has many crowns to put at Jesus' feet. My love & prayers to you and your sweet family, Brenda Lawrence

Dear Ann,

The passing of Larry was met great sorrow for both myself and our family. Our prayer for you Ann, Jerry, David and your family's will comfort you throughout these lonesome times. Our Lord will be there for each of you as he has promised. My family held both you and Larry as dear friends and role models for what our lord would have each of us to be. Early in my youth, Larry reached out to help head me in the proper direction and his continued effort was met with success. Praise the Lord! Not only through my mother (Dot Parker) were you and Larry true friends to our family. But you and Larry always demonstrated your love for the Lord as well to our family well into adult lives.

God Bless you Ann as your family have always been a blessing to the Parker Family.

*God Bless,
Terry Parker*

Dear Ann and Family

You already know this--Larry was the Best Sound Engineer that has ever walked this earth. I worked beside Larry on many a job where we would work around the clock to get ready for the Sunday Service. He was the best. Soft spoken and always the Christian leader. I ended up in Memphis and retired about 10 years ago. Was thinking about Larry tonight (Nashville Music on TV) and found this page. Sad but I know Larry is in a better place.
