“ *When I met Big Mac I instantly felt comfortable. He was easy going and just a big country boy. He had a t bucket and we had a good laugh that mama wouldn't ride in it because it would mess up her hair. Rarely do you meet someone who is just so mellow and drama free. Joe loved him for who he was but also how he made his mama happy. He is truly missed and always will be. We will always talk about him and keep his memory alive.*
