*I also got to work with Laverne for many years - she was very professional and we had fun times working on the most complex cases. It was always a special time when her lovely daughters came in to visit; she obviously loved them very much.*

“ Tammy & Tonya, sorry for your loss. I remember one time as a child being over your house and the news was on and a human interest story was on about single life. One man commented he was still looking to find Mrs. Wright and I looked at her and she smiled and said not me. Karen Keary Rhoten

“ I got to work with Laverne every day for over 30 years. She was a wonderful friend and we shared some special trips together. Have loved watching her wonderful daughters grow up and turn into such successful and kind young women. I know she was proud of them.
