“ *I just learned last night of the home-going of my friend Laverne. I am unable to visit with Barbara and family but want all of you to know that I am praying for all of you and share your loss. Laverne was a sweet and caring person whom I admired. She was quiet but shared her love for God and others through her actions and service to our church family for many years. What a worker! God bless you and give you comfort. Love, Bev and Stan Smith*

“ *I am so sorry for your loss. Laverne was so good to my mother Margaret Breeden. I remember how much Mama & Daddy enjoyed her & Clarence coming to visit in Hustburg. They had so much fun together. After Daddy and Clarence died, Laverne would come to stay and help care for Mama. We knew Mom was in good hands. She was so enjoyable to be around. We loved and appreciated Laverne. Our prayers are with you.*

“ Mark and I and the kids are so
Sorry to hear about Aunt Laverne’s passing.
She was an inspiration to me.
Absolutely hilarious to say the least.
She was such a incredible cook,
especially looked forward to coming to her house and eating.
I loved her pound cake. And
I am blessed to have it as
a keepsake recipe.
There are so many memories over all my years of growing up.
She had a heart ❤️❤️ of gold.
There were NO strangers to her
home, all were welcome.
Everyone was family. What
an amazing way to pass this
Legacy down her generations.
Oh ya, we can’t forget the tea,
SWEET of course. This is
where Mark got hooked!
Aunt Laverne is in heaven
with my mom, proly sipping on a
hot cup of coffee.
She will be missed.
Love all of you
