“ *I am going to miss Lee Anne's beautiful smiling face and kind heart. I am thankful for the jewelry she made me, I will treasure it always. She paid attention and new my favorite color. We did not see the obituary in time to make it to the funeral and I am sorry about that. We all loved her though and her and her family will be in her thoughts and prayers. “ *The memories we had together will always remain in my heart. Even though life had separated us some, the love of the friendship always stayed the same. What a special and unique lady. She will be deeply missed. And my heart and prayers to Brittany who I help raise in early life, to Leanne's sweet parents, and to all the rest of the family. God has a beautiful angel now that will look over us all.*
