“ *Saying Good-bye to My Lovely Aunt Leona:*

It is difficult to say good-bye to someone you love, the last patriarch of the “Trawick” family, but I know she has found that perfect place in Jesus’ arms.

She has exchanged this earthly dwelling place for a heavenly home that is beyond our mortal comprehension.

Leona was a loving, caring, generous person. She was a caregiver to Bill, Howard and me, while our parents worked.

Also, she loved to make crafts, sew, keep her house, and garden.

She provided a loving home for her family, and she enjoyed our family gatherings.

Leona taught me how to make coconut pie and chocolate pie, among many other recipes. I will always remember her when I make these delicious pies.

Her memory will always be a part of me. Others will hear her in my voice, and see her in my face, because I am her niece.

Good-bye Leona. I will miss you more than words can express, but I will see you soon.
