His favorite hobby was gardening. He loved showing off his bountiful harvest and sharing it with everyone. Earl also loved music, dancing, and traveling.

“ As everyone knows my brother Earl loved his Savior and loved his family. I am so thankful to have been blessed by his love for me and Kenny and all three of our children. We miss him and his voice every day but look forward to the great family gathering in heaven with him and all those there waiting. Until we meet again Earl. We love you always. “ Earl was the sweetest man. My Husband Bill and I loved him. Out of the goodness of his heart , he paid for Bill and me to go on a beach vacation. So sorry for the family. I know yall will miss him very much. I pray that God will give you all comfort. I like to think that just like my husband Bill, Earl got promoted. RIP my friend, until we meet again.
