“ Mrs. Lillian Hawkins was truly the strongest woman and Mother I have ever met....When I met her over 43 years ago she was a single mother of 8 working at NES and taking the bus to work and everywhere else....she never drove that I know of....I never heard her say a bad word about anyone and believe me she could have a lot of times....and she wasn't raising little Angels either....but she worked hard and always always loved her children even when she told them they were doing wrong....She outlived 5 of her children....When my Michael passed away she was the one I wanted to talk too....I asked her how in this world she was able to bury so many of her children and not be bitter to the world....she said she learned a long time ago that our children are only loaned to us for a short time and sometimes the Lord needs them home.....I know she is having such a reunion but she will be missed by so many....though she had all those children by herself to raise she never turned any child or teenager or young adult away....if you needed a meal or a bath or place to sleep for a little while she was there.....God Bless her family and I know she has many rewards awaiting her in Heaven....Rest in peace Ms. Hawkins....until we meet again.....
