“ *I am so sad and sorry that I am just now finding out about this! My heart goes out to the family. I had many great times with Linda when we were younger. We somehow lost touch and now it's too late to reconnect! My heart is heavy with sadness! I will see you in heaven Linda!*

“ *I know your family's hearts are aching at this time and so I'd like to extend my condolences. A common thread amongst us all is that we all have experienced the loss of a loved one. Although heartbroken, many have held to a beautiful hope that is found at Acts 24:15. Indeed, Jehovah God can provide your hearts ultimate comfort, but may the kindness and love of others support you all also.*

“ To Linda's family, my sympathy. Her life, cut short as it was, will leave you to grieve. I want to comfort you with the hope that Jesus gave us when he promised that we would hear his voice and come out in the resurrection. You will see Linda again under better circumstances. Sally

“ Our family first knew Linda as a business owner, who helped us maintain our property, but she became a friend. We will miss her and feel lucky to have known her. Our deepest sympathies are with you, the family she dearly loved.
