Tribute Wall

“ Linda was my "Secret Sister" from the Old Hickory Church of Christ for a year. It was fun sitting down and having lunch with her at Life Care, dropping by with holiday gifts, and she only knew me as a friend. She had no clue who I "really" was. (secret pal who sent cards, etc.) But it was always a delight to spend time with her. Lisa Stewart, you came in the room one time when I was with her at Life Care. It was nice meeting you there. But I also knew you from the Basement Place. You made the beautiful wall plaque for me that said, "Good Morning God." I will be at the OH church today. My condolences to all the family. “ *Linda was always a friend beginning with school days. I remember when she and Bobby married in the new chapel at the Old Hickory church and Charles Staggs sang for them. Lindas smile was always warm. She will be missed.
Love and sympathies to you as she is with Bobby again.*

“ *We met the Perry family when we moved across the street when I started the second grade. We had many visits with them and 11 years and walking or riding to school together. Daddy was so glad that Bobby and Linda purchased our house from him. I am sad that you have lost her and pray for God’s comfort for you and your family in the days to come. With love.
