“ Paul, Pauline, and family, i just wanted for you all to know that i havent forgotten about you all during your loss. it just seems like yesterday that we were visiting john and pauline in nashville when paulette and i were just kids. time just get away from us. i lost brenda, my wife in dec of 2012 and i know exactly what you are going through right now and there is nothing myself or anyone else can say that makes it any easier. i am sorry that i didnt get to come to see you during this. i am really having a hard time just trying to get by without Brenda, we were married for 46 years, only seems like a very short time. again i am just so sorry for your loss and if there is anything i can do for any of you just let me know and i will do my best to help with anything. all of you are in my prayers.
