“ I only knew Lois for a few years, but it was long enough to always make me think, "I hope I can have that kind of attitude when I am her age". I did some clothes alterations for her after she lost so much weight and I really got to know her. She was proud of her family. She was a true blessing to me and I miss her so much. You have my sympathy.

“ Your family are in my thoughts and prayers. Lois was my grandmother, Mildred Hargis' cousin. The few years that we had the opportunity to worship together at Soddy will always be a cherished time for me. Lois sat with myself and my mother during services. She always had a smile on her face and was always happy. She reminded me of my sweet grandmother and I always told her that. We will truly miss such a wonderful lady.
