“ *We've know Lois and Roger for many years. We would all get together and go camping and have a great time. Tom and I were very sorry to hear of Lois's passing. We know the Lord is watching over her now and there is no more pain and suffering. The Lord will also take care of Roger, it will just take time. Lois is gone but not forgotten. May God Bless Roger and the family.*

“ *I am so sorry for your loss. I work at Head to Toe in Goodlettsville and I cut Lois' s hair. She was such a sweet lady and I always enjoyed talking with her. She always talked about her family and grandbabies and I could tell she loved her family very much. I will miss her. Prayers go out to you all. Love, Amy Bunn*

“ *For the Hendrick family we offer prayers that our loving God will soon replace your grief and tears with joy as you remember your beloved wife, mother and grandmother. We met Lois in the '70's, and greatly admired her nursing skills and her lovely professional demeanor. You daughters, whom we knew when you were Pathfinders, were blessed with a wonderful role model to hold in your thoughts until Jesus returns, and you see her again.*

“ To the family of Lois Hendrick, My thoughts and prayers are with you during this time of sadness. Lois was a wonderful person and the kind of nurse we all want to take care of us and our loved ones. She was such an inspiration to me when I underwent a similar surgery a month after hers and I am so grateful to have gotten to spend a little time with her at the TCMC reunion in October. Her sweet smile and kind disposition will be forever missed. Terry Burnett

“ Hendrick family, Our deepest thoughts and prayers are with you all. I Loved working with Lois and have missed her sweet loving ways and smile around Skyline. I last talked with her on Friday July 1,2011, at which time we realized that we had spent that entire week just next door to each other in the hospital after both had surgery that week. We laughed and shared a few min. and both were released that morning. We will miss her greatly and will remember you all in our prayers. Beverly and Jim Buchanan.

“ Stacie,
I am so sorry to hear of the loss of your mother. I am looking for the words and just can't find them. I am sure that while you rejoice that she is with the King and out of pain, the loss has left you with a physical and emotional pain. She was such an amazing person. Always loving and serving. She will be missed.

“ *God Bless Her! We met because of the hobby of antique cars. Recently, we spent time at the beach where she "wanted to put her toes in the ocean and feel the sand under her feet". Such a sweet, beautiful lady who will certainly be missed. Rest in peace in Heaven above!*
