“ *I loved my aunt dearly and I know she is in Heaven with her husband and her sister(my mom) now. I remember going to her home when we were little with my great uncle every summer. I have had a very hard time dealing with my mother, my brother, and my sister's death and I am truly sorry about her death, but I know she is in Heaven now celebrating leaving this world and being with Jesus.*

“ *Frankie & Stacy - I am so sorry about your mom. I felt like I knew her more than I probably did just from hearing about her from you. I knew her as "Mom" also. These are difficult times but they will get better in the realization that she is no longer in pain and in a better place than we. She would want you to be strong and remember her with love and laughter. I'm sure Elvis is serenading her right now. All my love and thoughts are with you. Love - Judy Ross & family*
