“ Dear Louise,  
Writing this to you (and your family) knowing you left before all the  
"Good bye" waiting to be spoken could be said. Mine among them.  
I must say though

“ Donny, My mother (martha zagorac) and myself (sharon zagorac-macdonald) were very sorry to hear about louise. She was such a fun loving person and free spirited person. We remember all the fun times when my grandmother (olive chambers) would come to your house in hammond indiana so louise could cut her hair. Those were the good old days. I know you will miss her very much.

“ It's really hard to put into words what Aunt Louise means to me. She was incredibly generous to everyone who knew her- "make yourself at home when you're around here" she would always say whenever anyone visited there at the house. She was like a second mother to me, and to many others. I will miss her extraordinary and loving spirit for the rest of my life.

*Dear Don,  
Your mother was such a sweetheart & joyous person to know during the brief time I worked in northern Indiana. Everyone loved her! I'm glad to read that she lived a long, full life. I know you miss your parents as I do mine. I'm glad to have met you at Purdue. Sincerely, Nancy Segebarth Garrett*
