“*Mrs. Hunter was my 4th and 5th grade teacher at Taylor Stratton. She taught a split class and I was in her classroom for 2 years, which I loved. She was the best teacher. She read to the class everyday after lunch. She read about the settlers in Nashville and local folklore. She gifted our class with the book she read at Christmas time about the history of St. Nicholas. I still have mine and I'm 56 years old. To say she impacted my life would be an understatement. Our class recorded a children's Christian record and performed a program about Nashville's bicentennial. She was the kindest, most beautiful and most loved teacher I've ever known. God bless you, Mrs. Hunter and thank you for your investment in young people.*”

“ My family and I have had the privilege of knowing and loving Louise for 58 years (41 years as a close neighbor). She was a God loving woman of many talents. The greatest was her love for everyone she came in contact with. I will always cherish the memories I have of her and look forward to seeing her again on glory.

“ Louise Hunter was a beautiful Christin lady inside and out. She was a dear friend to our family when we all went to Riverside Baptist Church in East Nashville in the 1960's. She was a good friend to my parents, Walter and Mary Lorena Roberts. I was a young teen at the time and she made a positive impression on me and my sister Gloria. She loved everyone, and especially Jesus. I know she is rejoicing in heaven and I am grateful and blessed to have known her. Praise God ! Love and prayers for all who will miss her. “ Ms. Louise has been friends with my grandmother and was friends with my late mother, Sheila for many years. Louise has always been a faithful and vibrant woman who loved Jesus and loved people. I have so many memories of spending time at her house for Christmas parties , packing shoe boxes, having parties. Louise, my grandmother and friends were always so supportive of my mission trips. Louise was a good listener and a good friend. I will miss her but so know she's dancing with the Lord. My grandmother Bobbye though so much of Louise and felt like she was anither sister. Louise made an impact on all of us. My heart aches but I know she is full of joy with no sorrows or pain. She lived s full life of service to Jesus!! Love you and miss you!!

*I only knew Louise for a short period of time at Clarendale however she will ALWAYS be in my thoughts. She was truly one of the beautiful inside and out. My mother Theo Loved her too and they spent many memorable times together at Clarendale - my mother felt like she had an instant connection and that they had known each other for years. Louise was a blessing to both of us and we cherish the legacy she left. I know she heard the words "WELL DONE GOOD AND FAITHFUL SERVANT "  
Louise you are so missed and loved - forever in our hearts.*

“ I met Ms. Louise at an annual community event at the YMCA over 10 years ago serving as a vendor. After stopping by my booth, she quickly became my weekly client. After learning she had no children, my husband and I adopted her as our "Granny". Although the tears fall like raindrops, I take pleasure in knowing to be absent from the body is to be present with The Lord. Take your rest Ms. Louise..I'll see you on the other side 📞🙏🏻🕊️ I LOVE YOU WHITE GRANNY..."BYE"

*Louise had a wonderful smile and vibrant personality. I only knew her for a short amount of time, but she was one of the sweetest ladies i have ever met. I was one of her caregivers during her hospital stay. Everyone on the floor absolutely loved her. She will be missed by the staff here. *

*“ Lou and Bo were our neighbors growing up. I played with Lisa and Scott when they would come to visit. Lou would take me to church with her a lot. She was such a kind, wonderful woman. The last time I saw her was March 2020 when the tornado hit her home. She still remembered me. Such a lovely God fearing lady. Prayers to the family. Judy Meadows*
