“ *We moved to TN in 1972 and she was my favorite Aunt. My parents and her did a lot of things together. It Wasn't uncommon to find my mother and her playing cards until the wee hours of the night as a child. My dad loved her as a sister. I grew up with the family and thought of them as family. She's been gone for 10 months and I miss her so. She was an awesome lady.*
