“ *To Aunt Lou's family. I'm so sorry for your loss especially during the holidays. Aunt Lou was a fine christain lady in everyway. She loved her family and enjoyed spending time with everyone. Just know, that she's watching over ya'll and proud of each of your accomplishments here on earth. We will all miss her, but know she's with the Lord, Uncle Tom, Grandpa, and Grandma. What a glorious reunion and celebration in Heaven today. We've had you all in our thoughts and prayers. I'm sorry we didnt make it to the funeral home, but I've had bronchial pneumonia and Jonathan has an upper respiratory infection and bronchitis. We really didn't need to spread our germs. This sickness is really hard to get over. Once again, sorry for your loss. Love Jeanne and Jonathan Hesson*

“ I worked with Lula for many years at Summit Medical Center. We kept in touch through the years with Christmas cards. She was such a good lady and I'm so glad I knew her. My thoughts are with her family during this difficult time.
