“ *Ms. Hoover was a beautiful soul. She was my dad's neighbor for many many years and Ms. Hoover and my dad would often stand outside and talk. I am truly blessed to say that I had the pleasure of knowing her while she was here.*

“ *\_Mrs. Hoover, you brought so many happy moments in our life and left us with a treasure trove of memories. We will never be able to forget you.  
What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived; and that your life gave us memories too beautiful to forget. We will always love you.*
