“ *Clara, Terry & Families,
I can't express how devastated I am to hear of Majorlene's death. I mailed my yearly Christmas card and it was returned with a note "deceased". Her card last year said she was sick, but I just didn't realize how sick she was. I loved her as a friend (I met her in 1971). I went a few years ago to see her, and said I needed to go again after her last card. She is part of my life and I will always miss her. I am so sorry for your loss.*
