“ *I said Good Bye to my dear friend and old love Buddy Myers. You were my savior and protector when I really needed one. You were a kind hearted, gentle person and we all loved you and we will all miss you.*

“ *Buddy was my friend for more than twenty five years. He always made me laugh. I looked at him as a true friend because he didn't judge people. He was a talented musician and taught me many things on the guitar. He was taken from us to soon. I will miss him.*
