“ *Oh Marcy- I miss you so much already... We met on an online chat group, never met "in person", but I really felt a connection to you. You were one of the few truly kind and such a good person that I've ever found as a friend. I'm going to miss our late night chats-last one was 3:26 am last sunday. I even miss your crazy puns! I hope we meet again.* ”

“ Marcy, I only knew you for a few short years in a business manner but I knew when I needed something done then that would be to call you! You were always, sweet, kind, and a person of your word. Lynn, she was always so willing to help in any manner that she could. I send my prayers and condolences to you and your family during this difficult time.
