“ Margaret was one of the best humans I've ever known. She was kind, generous, caring, silly and just one of kind. She loved kids and all animals. The world is a darker place bc she is gone. So loved. Give Thor some pets from me. Love you Margaret

“ Ms. Margaret attended and diligently served at Donelson Heights United Methodist Church for over 50 years. She counted, logged, and deposited each Sunday's tithes and was part of the volunteer "newsletter committee." She was always the highlight of my Monday mornings in the office. My favorite of her sayings was, "It's always something. It's never nothing." Made me laugh every time. And answering the phone with her starting the conversation with a cheerful, "Welllllllllll....." She made a positive, indelible impact on my life and I think of her often and fondly. She will be greatly missed.
