“ *In Loving Memory of a beautiful lady, second cousin and dear friend, whose memories I shall always cherish. As a young child, I spent many good times in her home and I deeply treasure the friendship of her, husband George and son Boyd, all of which transpired before the birth of their daughter Joyce. I wish to thank Joyce for all the love and care she administered to her mother and wish to express my deepest sympathy to her and her family. Always keep in mind that nothing beautiful every dies; the memories live on forever and ever. msv*
