“ So sad to hear that Buster and Levonia passed away. We called them Mr. and Mrs. Buster. I was their next door neighbor for a few years and thought they were really nice. I kind of lost track with them between them going into the nursing home and us moving away from the neighborhood. My wife drove by the old house so I googled them and saw this. Thanks for being so nice to us and telling us the various stories about the neighborhood and what not.
