“ *Tony, you and I have been best friends for most of my adult life. I know you tried so hard not to show your emotions bit you couldn't hide them from us, the ones who truly knew and loved you. You always had my back and you and I were true Brothers. I miss you so much and I can't wait to get to heaven just to kick you in the nuts. I love you bro always.*

“ *I would like to say, this man loved Elizabeth Jajko with all his heart and Madysun. These two beautiful lady meant the world to him. If you knew him at all. Tony had such a great smile and was always trying to do the right thing. But sometimes somethings are more than you can handle. I know he is in heaven and looking down on these two Beautiful ladies and his son Daniel. I hope everyone who loved him would just remember in God he had a different plan with Tony. And now that he is smiling so big to be free.*
