“ *My favorite memories was simply going to visit my grandma and her famous lasagna that she would always make for Christmas. We would sit on the back patio for hours just talking. She shed no judgment on me and so I talked to her about many things I couldnt share with the rest of the family. Rest easy in heaven grandma, love your granddaughter Kayla.*

“ *My fondest memories were visiting, and just talking about when her and her sisters were growing up. Hearing the stories of Granny and Pa when they were growing up. Irember watching Jaws with her, and during one part she threw and sock at me and screamed real loud. Scared the crap out of me. She laughed so hard, she had tears . The rest of my visit, she said can we watch Jaws because I missed some parts of it. I just told her to watch it when I go home. She was always so much fun. I will miss her so much. But she will always be in my heart. I love her so much.*
