“ *I feel very blessed to have known this wonderful lady. She was one of the sweetest, kindest person I have known. She cared about everyone she knew and never had anything bad to say about anyone. We will always talk about our pets and our favorite soap "Days". We would try to predict what the authors would do next! She will always be remembered in a very special way. Rest in peace my friend! “*Martha Holt was one of the most genuine people person I ever had the privilege to get to know. I worked side by side with her for years and always felt like she truly cared for me as a person. The time we spent with each other as a manager & lead team meant the world to me and help me become the person I wanted to be. A people person. We would spend hours sitting in her office just talking about our family's and pets and childhood memory's. We hardly ever let work get in the way of those conversations. We would laugh about her routine of getting up each morning and making bacon for her dog Blackie. We would laugh at each other over some of our hoarding tendency's. She finally has time to catch up on her soups in heaven now. I'll miss you Martha. Your legacy of being a manager of people instead of a manager of numbers will live on as long as I'm in a position to be able to do that. I'll let you get back to your soups now.*
