“ I remember the first time I came to TN and got to meet Mary Ann. It was right after Christmas, we went over for supper. It was nice to be welcomed in and feeling like I had been apart of your lives my whole life. Wish we were able to see each other more often.

May God watch over you and comfort you during this difficult time. Sending lots of love from my whole family.. Josh, Michelle, Matthew, Markus, MaryAnn, and Madeline.

“ Caprice,
Of course there are no words to heal this loss in your life, but know that I and all your friends and family at St. Mark's are holding you in our hearts and offering prayers that you might find yourselves surrounded in God's loving arms.. Blessings and Peace.

“ We have lost a beautiful and wonderful life, that I remember well from many years ago when we were all so young. Mine and Bettye Jeanne's thoughts and prayers are with you both. Old friends are the best and the toughest to loose.

“ *I always thought my Aunt Mary was a beauty queen. She had such beautiful long hair and she was so pretty. Mary would let me play with her sparkling jewelry always. I felt so special when I was with her. I wish we could have had more time together over the years. I always wondered what my life would have been like had I not left TN. I will never forget you Mary. I will always remember you. May God carry you home where will one day all meet again. - -*

To all my family there in TN, I miss you all and send my sympathy and love. Wishing we could be there with you during this time of sorrow. Love Jeannette and Jon

“ *My favorite memory is that Mary Ann always liked black jelly beans. Maybe I got my love for jelly beans from her.*
