“ *To the Stromatt and Gunter family, my thoughts and prayers are with you. I'm very sorry for your loss. Aunt Sis was my late grandpa Robert's sister. May she rest in peace. God bless.*

“ *Aunt Sis was a very special lady. My daddy (her brother Robert) often talked about his fondness for her. May the family find peace that she will now be reunited with her family.*

“ Maw Maw...you are the best of us all and I will miss you so much. I love you more than words can express. You were and will always be my guide the "wind beneath my wings". I will hold you in my heart always and think of you all the time. There have been so many great and wonderful memories shared with you and I will cherish them until we meet again. I know you are happy, pain free and rejoicing with all the loved ones gone before you and in that I find peace. I love you Maw Maw!!!!

Love,
Missy

“ Just thinking of all the things that made you so special.
It's for sure, the world's a little brighter and a whole lot happier while
you were here.
And for all of us whose paths have crossed with yours will certainly
agree, you lived by example.
Your kindness, warm hearted, and generous ways, will always
remain precious to our hearts.
As for being my Aunt Sis, I wanted to tell you just how important
you've been in my life. For all the times and ways you made me feel
special, accepted, and loved.
There are no real words to describe the kind of difference you've
made in my life except to say "THANK YOU". I feel grateful to call
you my Aunt and I LOVE and will miss you.

*"The Seeds of Kindness we plant today grow into the Joys that
blossom Tomorrow"*

Your Niece,
Joyce

“ Janet sorry about your mom I know I didn't
Get down to see her like I sure but you dot,t

with her when she did I don,t know where I would be today I love
