“ *Mary and I saw each other every month for 8 years at a standing appointment she had with me at OMC. She was always kind and happy to see me, asking how I was. She always wore that lovely smile and had a book in her hand to read while she waited. She invited me to her church when there was upheaval in my life and was always sincere. I have missed her terrible but take comfort in knowing I will see her again. My thoughts and prayers are with Tom and the family. I pray that the lord fill the void that is left with love for each other and wonderful memories of this very special woman.*
