“ *Buddy and I will never forget how kind Mary Ellen and Don was when we lost our son Jerry. They both was there to comfort us and got their preacher to speak at the service. Mary Ellen was so good to us and we will never forget her. Prayers for Don and all the family for your loss. May God wrap his arms around all of you and give you peace and love...*

“ *I had the fortune to meet her and the family several years ago through Lisa and felt that I became family. My sincere condolences and sympathies to the entire family.*

“ *I am so proud to call this family, my family. Mom was a beautiful lil spit fire! She was a true warrior fighting her own body for years. She had no problem getting right with you but she did it in love. She loved her family with all her heart, and loved me as if I were her own. I know she is pain free and fighting no more, she fought the good fight and is now rejoicing in the arms of the Lord. Until we meet again and I can hug your neck, remember we love and miss you and your memory lives on in your family!!*
