“ *I miss you so much, my sweet Mattie Pearl. I miss our long phone conversations. I miss your beautiful smile. I*

*I miss everything about you.. You were like a mother to me. I still have all your letters. I had so much admiration for you. You were the classiest lady I've ever known. My heart is broken. I loved you so much and I will miss you every day for the rest of my life*

“ *Mattie's brother, Jerry, loved his big sister. Before he passed away in 2013, he and I always enjoyed our visits with her. She had a sharp mind and loved showing the photos she had of her family. After Jerry passed, I continued to visit her maybe once a year and always called her on her birthday. She will be missed and I pray many blessings on her family who helped to take such good care of her during her later years. May you all know that peace which passeth all understanding. Robert Rich*
